

# Dontavious "*Tay Duh Mayuh*" Smith For *Brevard County Commissioner - District 2*

Dea Distrit 2 Voter,

How art thou? My name is Dontavious "Tay" Smith, better known as "Duh Mayuh", in reference to me running for Mayor of Cocoa in 2008 at 23 years old and in 2016 at age 30. Now at age 36, I've decided to run for Brevard County Commissioner - District 2, representing the cities of Cocoa, Rockledge, Merritt Island, Cape Canaveral, Cocoa Beach and south Patrick Air Force Base.

First things first, let me get one thing straight: I AM NOT A POLITICIAN. I am a concerned citizen with the intellect, integrity, civility and rationality that's needed to represent and govern our beautiful county. I'm not here to make friends, because there are none! My campaign to run for Commissioner is uniquely designed to promote change in a deep and effective way. My strategy to "Run On E", will create a new course of engagement for our citizens to indulge in education, entrepreneurship, employment, economy and environment through an innovative approach which I call, my 5 "E's"!

The sole mission for my campaign is to "change the political landscape", by enlightening voters that it doesn't matter what you look like or where you come if you have character and the ability to think logically for the now and future of Brevard citizens, entrepreneurs and guest to VOTE for that person.

I realize my approach to running for office is non-traditional and some people are not going to be fans of my message, approach, or even my age and ethnicity and won't vote for me. Which is fine! I love being me and representing where I come from, which is the same uniqueness I'll be bringing to the commission. I do have a link on my campaign website where you can leave a donation, but I'm not asking for any. I am asking for your endorsement and support through word of mouth and social media by liking my Facebook page, "Tay For Brevard County Commissioner - District 2", as well as commenting, sharing and posting your support.

The November 2022 local and state elections has the potential to reach unprecedented measures through new policies, ordinances, ideologies and legalization's; including but not limited to, the legalization of marijuana in the State of Florida for Adults 21 and older, and treated like alcohol to create a substantial amount of revenue to help my "5 E's" thrive locally and statewide. I signed the petition as well as other voters at, <https://regulateflorida.com/petition/>, to get it on the 2022 ballot. But in order for this to happen you have to add strength, energy and stand for a new vision by voting for change. And with your VOTE for Dontavious "Tay Duh Mayuh" Smith on November 8, 2022 for Brevard County Commissioner - District 2, the change you've been waiting for will have arrived.

Thank you so very much for your time, and I look forward to hearing from you soon! Please don't hesitate to reach out to ask, comment or suggest anything that's on your mind. I'm open to it. Have a Happy Holiday season and New Year!...

One Love!

Dontavious "*Tay Duh Mayuh*" Smith
